

Video and Forms

- This is how I linked the video and added a contact form to my project. This embedded video is unavailable on my website. If you want to watch the video just click the youtube button.

```
<section id="songs">
  <h2>Songs</h2>
  <iframe width="80%" height="315" src="https://www.youtube.com/embed/9QC8Eve2hT0?si=HJGEDsV9EieBe3W1" title="
  <h2>Most Popular Song</h2>
